## Children's Artistic Impressions of National Guard Soldiers and their Families

### Submission form

Art should be drawn by American children in response to the following invitation:

*"Many boys and girls your age have mommies or daddies who are fighting for their country far from home across the sea. Draw a picture about how these boys and girls might feel about this separation or draw a picture they might like to see."*

All art must be completed by K-5 grade children on white or light-colored paper sized at least 8 x 11. Media should be crayon, colored ink, or paint. The art could be produced at home or at school. This form must be completed and submitted by a parent or guardian for each individual piece of art. Any questions about this project should be sent to Charles A. Smith at [casmith@ksu.edu](mailto:casmith@ksu.edu) or Paula Seele at the address below. *Art must be received **prior to December 1, 2008**. Earlier submissions are more likely to be used in our videos and website.*

### Recognition

We anticipate providing a significant recognition for the top three submissions as judged by a K-State panel. All decisions of the panel will be final. We also anticipate having a downloadable certificate of recognition parents can provide to their children who submit art. Please examine the most current overview and update of this project at:
